

Quiltmagine Day 1

Tuesday, March 26, 2019, 9AM-5PM

QM Grounded in the Basics

Get grounded in the basics of QM and make full use of placements, settings and new features available in the QM Pro update (Dec 2017). Stitch beautiful pantos, blocks, and customize your quilts. In this workshop we will cover features found in the Pro tier with emphasis on the new features in the update that allow more customization and accurate placement of patterns. A quilt will be loaded so that we can set up and stitch using some of these features.

Come with questions. Bring a show and tell you want to share or one you have questions or want help with.

Bring to class: QM tablet and charging cord. QM should be updated to the Pro tier (it is free to update).

Quiltmagine Day 2

Wednesday, March 27, 2019, 9AM-5PM

QM Beyond the Basics

If you are ready to move beyond the basics and do more custom quilting with blocks, pantos and add borders, this workshop is for you. I will introduce you to some of the easier functions of Pattern Cad and we will work with gold features, Borders and Corners, Panto Advanced, and Fabric Compensation, plus other topics. A quilt will be loaded so that we can set up and stitch using some of these features.

Come with questions. Bring a show and tell you want to share or one you have questions or want help with.

Bring to class: IQ tablet and charging cord. QM should be updated to the Pro tier (it is free to update).

Seminar: Solving Frustrating Longarm Problems

Tuesday, March 27, 2019 – 6PM – 9PM

Seminar Fee: \$30

Let's face it, some days quilting present a challenge, or a series of challenges. This class, taught by Joyce Blowers, author of "Guide to Quilting with Your Nolting," will cover the annoying problems, and present tips, techniques and helps for solving those issues. Tension is one of the topics that will be covered.

Come with your questions. If you wish to share and show a problem quilt, Joyce is happy to use the problem(s) as a teaching opportunity.

Workshops Registration Form

Dates: March 26 and 27, 2019

Location: 10709 S Miller Ave, Oklahoma City, OK 73170

Workshop Host: Jimi Graham, 405-590-8877, email: madwhit2001@yahoo.com (contact Jimi for information on travel, lodging and local restaurants)

All Day Classes begin at 9 am and end by 5 pm. We break for lunch (on your own, fast food and restaurants a short distance away)

Each class is an independent class. You can attend one or both classes.

QM Workshop Fee: Attend one day, \$150. Attend both days, first day \$150, second day \$125 (total \$275).

Seminar Fee: Solving Frustrating Longarm Problems, \$30

Payment: A deposit of \$75 is required to hold your place in class. Class is to be paid in full on or before the day of the class. Make checks payable to Delightful Quilting & Sewing. If you prefer to use a credit card, send a deposit check with your registration. Your credit card will be processed on the day of the class and your check will be returned to you. (Withdrawing from class – your deposit will be returned if we receive a notice of withdrawal up to 5 days before the class)

Complete the form below, cut along the dotted line, and send the form with your deposit or full payment to:
